# Regenerative Wellness, Reimagined: SLIMYONIK® at Hosted

We don't just talk about holistic aesthetics—we build it in. Hosted guests will be experiencing the **SLIMYONIK® AIR Bodystyler** first-hand, a breakthrough in oxygen-enhanced lymphatic wellness.

Designed to energise, reset and support systemic health, the device uses intelligent pressure therapy to detox the body, enhance skin health, and boost vitality—without strain or downtime.

This innovation comes from **Pure Swiss Aesthetics**, a pioneering company that's led the regenerative wellness movement for over a decade. They believe in a patient-first approach rooted in **cellular strength, long-term vitality**, and building confidence from the inside out.

And so do we.
